Please provide any additional information about the praesidium, its meetings, works discussions, problems and pluses that will help the Comitium gain a fuller understanding of what it is and strives to do for Mary and her Son.

Our Praesidium works very diligently to try to follow the guidance, method and procedures set forth in the Handbook, Points of Uniformity and information received via the Comitium Meetings. Everyone cooperates, everyone accepts correction and suggestions in the spirit it is intended. We try to keep in mind the Preliminary Note found on pg. 7 of the Handbook, and we have been blessed very much with gradual success and peace.

The Legion is a system which can be thrown out of balance by suppressing or altering any of its parts. Of it could the following verse have been written:

“Pluck one thread, and the web ye mar; Break but one Of a thousand keys, and the paining jar Through all will ruin.”

So, if unprepared to work the system exactly as described in these pages, please do not start the Legion at all. In this connection, read carefully chapter 20 “The Legion System Invariable”. Without affiliation to the Legion (through one of its approved Councils) there is no Legionary Membership. If past experience is an indication, no branch of the Legion which is worked faithfully according to rule will fail.
